The Spears Oratory Prize for 16–18 year olds

The Sovereign Minds SPEAR Oratory Prize is a prestigious competition that gives 16–18 years olds a platform and a voice to set their sights on global issues – whilst showcasing their own passion, intelligence and ability to find answers to the difficult challenges that young people face today.

Through compelling speeches, participants spotlight the world's most pressing issues, from the climate crisis to quality education, inspired by the ten *SPEAR* target subjects.

The winner will be awarded the £10,000
Sovereign Minds SPEAR Oratory Prize

Who are *Sovereign Minds*?
